

# THE GOLD STANDARD IN PAYMENT MANAGEMENT

## MORE THAN 1700 PRACTICES HAVE CHOSEN THE PAYMENTBANC WAY.

- **Instant Credit Analysis with Payment Plan Recommendations.** PaymentBanc gives offices the option of running quick, simple credit checks that offer valuable information to determine payment plans.
- **ACH Draft and Credit Card Payment Options.** PaymentBanc transfers a full deposit of funds into the your bank account.
- **Complete Management of Your Accounts.** PaymentBanc handles all aspects of the payment including patient contact and follow up regarding NSF transactions and expired credit cards. PaymentBanc averages 99.4% on-time collection rate.

## THE PAYMENTBANC WAY: Present PaymentBanc as your office payment plan.

- Cash up front – 3rd party financing – or PaymentBanc. It's that simple!
- PaymentBanc will train your staff on presenting payment options.  
*"If you would like to take advantage of our free office payment plan, we will auto draft your payment directly from your checking account or credit card."*
- With PaymentBanc managing all your accounts, you can **stop** mailing monthly statements, **stop** manually entering credit card payments each month, and **stop** making unpleasant phone calls about missed payments.

Get paid on time, every month. Let PaymentBanc start working for you today!
